**CIRSCO Named to Nation’s Top Hispanic Owned Business List for 2009**

(Tampa, FL), In recognition of the economic power of privately held businesses, DiversityBusiness.com, the nations’ leading business-to-business internet site, recently named **CIRSCO**, Commercial Industrial Roof Services Company, as one of the **TOP 500 HISPANIC AMERICAN OWNED BUSINESSES IN THE U.S.** businesses in the United States.

This is the 9th annual listing of the **Top 500 Hispanic American Owned Businesses in the U.S.** by DiversityBusiness.com. Ranging in revenue size from less than \$1,000,000 to over \$314,035,186, the companies listed on the Top Business Lists represent the Nation’s top multicultural earners and challenge the long-held notion that a privately held business is small or insignificant. Winners are sought after by major corporations wishing to increase spending with small businesses.

“Entrepreneurs are a growing force in the U.S. economy, and a force to be reckoned with,” said Kenton Clarke, CEO of Computer Consulting Associates International, the company that built DiversityBusiness.com. This is a whole business segment that can carry its own, that provides jobs, products and services, and generates wealth for their communities. These are the new leaders in American business.”

“Our company has experienced some significant growth in 2008 of which we are extremely happy in light of the current economic times,” said **Hig Rodriquez Dillinger**, Owner and President. Our business model of creating long-lasting relationships with our clients who know they can depend on us to serve them to the fullest extent has allowed us to be their service provider of choice. We provide strategic alliances to our clients for any building related services they may need, and they know that we are always there to help them manage all of their building assets.
